2024 Marketing StrategyThe Overarching Principles

- The 2024 marketing strategy is developed based on the national economic vision vis-à-vis the Labuan IBFC Strategic Roadmap. It is key to support the jurisdiction's roadmap while complementing "Ekonomi Madani" initiatives.
- The marketing strategy also captures global market trends and developments to ensure Labuan IBFC remains relevant in its offerings to facilitate/support investors' needs.
- The focus remains on the Asia Pacific region, with priority on ASEAN countries, China and the Middle East.
- 2024 key marketing message focuses on:

"How Labuan IBFC functions as an intermediation centre to facilitate

- (a) Malaysian entities going abroad
- (b) Investors for regional/global business expansion
- (c) Investors for inward Malaysia investments"

2024 Marketing Strategy (cont'd)

The Overarching Principles

- The key areas of focus are tweaked to ensure feasible presence establishments in Labuan IBFC:
 - a) Business verticals
 - i. Primary focus Captive, Wealth & Investment Management (including business succession), Islamic Finance
 - ii. Secondary focus Commodity Trading (leverage on the 2-yrs regulatory relaxation)
 - b) Ecosystem building
 - i. To address challenges
 - ii. For marketing activities/process enhancement and innovation
 - c) Prioritise theme-based events
 - i. Why Labuan IBFC
 - ii. How to use Labuan IBFC

- 3. Investment guide
- 4. PPT
- 5. Brochures

Market Observations

1

LIBFC awareness

- Target audience is mostly aware of Labuan IBFC but unsure of utilisation
- Enquiries focus on (1) Benefits of operating in Labuan IBFC
 (2) Permissible businesses (3) Support services available (4) Regulatory framework (5) Investment opportunities
- Substance concerns pre vs post border open

2

Investors Needs

- Require sophisticated solutions
- E.g. manufacturing industry require Labuan and local establishment support (MY land, factory, special incentives etc)

3

Post Covid situation

- Foreign exchange control liberalization; the country has implemented various reforms to open its financial markets and facilitate cross-border transactions
- Encourage in expansion abroad; diversify risk
- Geopolitics dynamics between China and the countries in the ASEAN

Market Observations - China

4

Outbound Direct Investment (ODI)

Liberalisation for ODI approval - encouraged companies to expand globally

5

Different Business Approach

- Need for a community centric business approach; need to create Labuan-China Chinese community to have sustainable network and engagement.
- Business/Project Matching identifying demand among Chinese investors, aim to discover viable investment projects and establish business connections
 - ✓ May act as a 'business matcher,' connecting potential clients with opportunities to collaborate on business ventures alongside other intermediaries.

Note: Observed the Bahamas and Seychelles have adjusted their business approaches to enhance facilitation

Market Focus – China Key Initiatives

- Develop jurisdiction's website in Mandarin
- Develop customised / innovative marketing channels

- Ensure correct and updated information
- Better understand Labuan IBFC's offerings
- Ensure effective and efficient dissemination of information

- 4 Cultivate strategic collaboration (Local partners / agents)
- Develop cross-sector strategic alliance team (China Desk)

- Have centralised communications and support
- Better facilitate establishments in Labuan
- Ensure sustainable market development initiatives

The MoU between Labuan IBFC Inc. and QFCA was renewed on 24 May 2023 in Doha, Qatar and is valid for a period of three (3) years.

The MoU is focused on market development and promotional initiatives for both jurisdictions.

Areas of collaboration:

- a) Islamic finance (for 2024)
- b) Digital finance
- c) Capital markets (sukuk issuances and placements)
- d) Wealth management
- e) Captive insurance

Key Initiatives

Online Exposures

- Joint advertisements on trade media relating to key collaboration areas Labuan IBFC Inc. to cover APAC region, while QFC covers the Middle East region
- Mentions/tagging of each jurisdiction via social media postings relating to ongoing initiatives, event promotions/product launching etc.
- To organise a series of dialogues between Labuan IBFC Inc. and QFC (btw CEOs/Heads) quarterly
 outlining the achievements, plans, trending topics and upcoming efforts re joint key collaboration
 areas video snippets to be posted on both websites and social media accounts

Publications

- Produce joint publications outlining strategies in key collaboration areas through articles and white papers etc.
- Provide a dedicated section in newsletter/website that outlines relevant development of each jurisdiction
- Showcase/disseminate info on Labuan IBFC Inc./QFC at the respective offices

Events

- To actively participate as a supporting partner for events organised by both jurisdictions
- To co-organise a masterclass, high-impact briefing or training for service providers from each jurisdiction
- To extend invitation for any upcoming events organised by each jurisdiction with complimentary traditional or pop-up booths/speaking slots

Media & Strategic Communications,

Labuan IBFC Inc.

Media and Strategic Communications Initiatives

Website Homepage Revamp

1. Notification/alert sections dedicated to Labuan FSA, SPIR, EU, COMMS, Labuan IBFC Partners etc.

2. Minimizing size of website slider, enabling click to action (CTA) function for corporate video

3. New Mandarin tab section featuring content specific to the Chinese market

4. Removing menu pages to avoid unnecessary clicking and overall reconciliation of content in key tabs

Implementing Search Engine Optimisation (SEO)

Benefit 1:

Brings Organic Search Traffic to our Website

How?

Organic traffic consists of viewers who find our website through a search engine. The aim is for Google to recognise that our website offers the most relevant answers to the questions people are asking relating to our industry.

Benefit 2:Generates Leads

How?

When implemented strategically, SEO allows us to be the top recommendation for people who are looking for our offerings, based on the word search related to our content available on the website.

Benefit 3:

Increases Brand Awareness

How?

SEO will push our website to the top of results during searches (this applies when any keywords related to our industry/offerings is typed in).

Utilising Social Media Support/Management

To increase brand awareness and loyalty

To gain valuable customer insights

To increase website traffic and search ranking

To analyse competitors' style of approach

To assist in creating geotarget content

To run targeted ads with real-time results
